The Neuvo is the next stage in the world of extreme accuracy. This action is the result of more than half a century of experience in rifle building, gunsmithing, target shooting and high-end machining. Bullet Central, Dwight Scott and BAT Machine teamed up to develop this receiver. The Neuvo encompasses time-proven functionality with a host of brand new features. The new action includes a wide-body two-lug bolt, horizontal locking lugs and a totally redesigned fire control. The Neuvo is manufactured by BAT Machine in the U.S. and available at Bullet Central.

Arizona Bench Rest Shooters Hosts the 2016 Cactus Classic

03/19/2016 - 03/20/2016

We would like to thank every shooter that made it out to the 2016 Cactus Classic! The Cactus Classic took place on March 19-20, 2016. This year's match had a great turnout with 138 total shooters, 3 of which were junior shooters.

The Cactus has a full 5 days of practice, the Monday through Friday before the match. During this week we got to see a lot of faces from last year as well as many new faces that many of us had not met before. For the most part the days were full of great weather with normal Ben Avery conditions, meaning a bit of wind here and there. Thursday and Friday both had good conditions in comparison and lead into a very nice weekend.

On Friday night we had a banquet dinner for the shooters, which included an amazing prize table thanks to our very generous sponsors. We had over \$50,000 in prizes donated this year by our sponsors, all of which went directly to the shooters. In fact, we had so many prizes that not only did ever shooter who attended the dinner get a prize, but we had enough prizes to

have another raffle on Sunday at the awards ceremony. We also had 10 bonus matches and cash prizes for every Junior shooter and the shooter that "missed the cut" and came in 21st in the 2-Gun Grand Aggregate.

Saturday morning kicked off great with three screamers in the first match. Gary Bristow shot a 0.066" group, Kelly Ellis shot a 0.061" group, and Greg King shot an amazing 0.058" group. Kudos to all 3 for starting the weekend off right! Throughout the day we saw several zeros and some very competitive aggregates for both Light and Heavy Varmint. In the morning's 100 Yard Light Varmint Grand Agg Gary Bristow took the lead for the weekend with a very impressive 0.1644" Grand Agg which included 3 screamers over the course of the 5 matches! In the afternoon Larry Baggett took the Heavy Varmint 100 Yard Grand Agg with a 0.1666" Grand Agg that gave him a convincing lead.

Sunday morning started with Heavy Varmint 200 Yards. Lou Murdica had a commanding lead with a

0.1675" Grand Agg, which moved him up the Heavy Varmint rankings quite a bit, but not enough to take the Heavy Varmint Grand Agg. In the afternoon we continued with the Light Varmint 200 Yard matches, which Larry Costa took 1st in with a 0.1878" Grand Agg.

Larry Costa (photo below) took home the Light Varmint Grand Agg with a 0.1897". Larry also went on to win the Heavy Varmint Grand Agg with a 0.2016". Brandon McNairy took home the top Junior prize with a 0.3567" 2-Gun Grand Agg. Gene Bukys came in 3rd overall with a 0.2315", Lester Bruno came in 2nd with a 0.2202" and Larry Costa came in first with a convincing 0.1957" 2-Gun Grand

Aggregate, winning him the Cactus Classic Trophy.

We were pleased to see so many people out here this year for the Cactus Classic. We sincerely hope that anyone who was not able to make it out will join us for our next match and for the Bench Rest Nationals which will be held here at Ben Avery Shooting Facility in October later this year.

“Her success is a direct result of training, a well built rifle and the Berger BR Column bullet.”

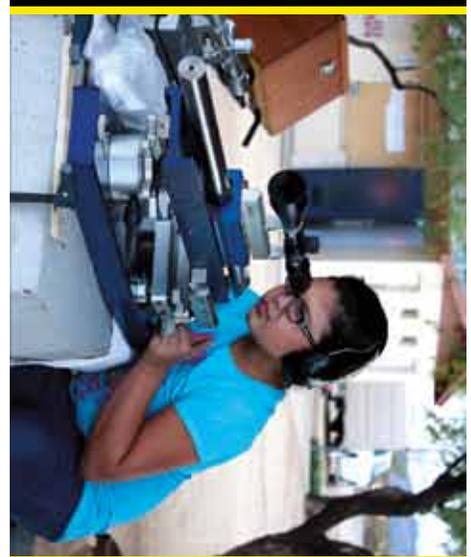

...says Lou Murdica of Palm Springs, California. His granddaughter, Angelina Gonzalez, recently shot at Arizona Benchrest Shooters' Un15-Un15 Arizona State Invitational and earned 4th place out of 37 shooters in the 2nd 100 yard egg. Her 0.1612" egg was smaller than 2 benchrest hall of famers!

Sloughouse Benchrest Shooters

March 5-6, 2016

For our first match of the year at the Sacramento Valley Shooting Facility, the weather was horrible. It rained all day Saturday with wind up to 25mph and the high was below 60F all weekend. Our equipment was soaked. Wind flags were tossed about. In retrospect, it was probably not the best weekend to hold a match.

Steve Epstein kept a steady winning streak by taking the LV100, HV200 and HV Grand. Dan Lutke won the LV200 and LV Grand and Greg Wilson took the first place for HV100. Ultimately it was Steve Epstein who won the Two Gun for this March match. Congratulations to Steve and thank you to everyone for attending our match in spite of the inclement weather.

In the photo from left are Dan Lutke, Francis Lee, Steve Epstein and Bob Dorton.

**Crawfish Invitational
Tomball Gun Club
February 27-28, 2016**

We held the annual Crawfish Invitational at the Tomball Gun Club on February 27-28, 2016. We got started Saturday morning with 42 competitors, shooting the light

varmints first and finished with the heavy varmints at 100 yards. Sunday morning began with the heavy varmints shooting at 200 yards and we finished up with the light varmints.

When it was all said and done, Brad Calhoun came out on top. Congratulations to all the winners.

We had a great turn out and enjoyed a fun weekend of shooting with beautiful weather. We would like to thank everyone for attending the match and a special thanks to Jim Lusk for calling the match.

Wayne Campbell Wins the Shamrock

The Shamrock shoot in Dublin, Georgia was held later than usual this year. With Easter being in March, the match was held on April 2nd. and 3rd. This happened to coincide with the “Storm of the Decade” but it didn’t stop the 60+ contenders from coming to shoot. We were at the bottom of the massive storm that hit the South on Friday. The city of Dublin was pummeled all day; however, the range did not get any rain until 2pm. This allowed for a full day of practicing.

The rain was supposed to end at 10pm Friday night. However, it lasted until 9am Saturday morning. After fixing some target system issues caused by the storm, shooting started at 9:30. The conditions

were very good for the first two matches in LV100. The smallest group was 0.074” by Don Rosette. This got Don in second place and Don Hardeman won with an agg. of 0.1884.

Saturday remained overcast into the afternoon. The smallest group for HV100 was Floyd Cline’s 0.097”. Joe Bougard won the HV100 with an agg of 0.2244. Joe started off good with a 0.311” on his first target and just got better and better in each successive match. He ended with a 0.154” group; the smallest in match 5. Scotty Grimes decided to join us for some Saturday afternoon shooting and finished in 4th place.

Sunday was a beautiful day, at

least to start with. Scotty Grimes, being rested from his trip to the beach the day before, won the HV200 with an agg of 0.2786. This was good enough for him to win the HV100 and 200 Grand. Dwight Scott shot the smallest group measuring 0.330”. Sunday also saw the return of the Dublin winds, but this time they were coming from everywhere. The Shamrock shoot is known for its cross winds. This year we were plagued with winds coming from behind the targets. A lot of push pins were used to hold the targets in place.

Larry Costa won the LV200 with an agg of 0.2136. The small group for Sunday afternoon was a 0.197” by Bill Greene. Even with the challenging conditions on Sunday, no one left early. Shooting finished at about 3:30. Wayne Campbell won the LV100 and 200 Grand which moved him into the first place for the Two Gun. Congratulations to Wayne and thank you to everyone for attending.

Click Head Stainless Steel Bench Rest Quality Primer Tool

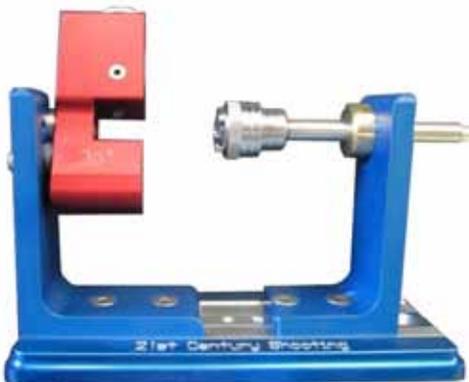

The feel, the precision, the quality and the ease of adjustment of this tool are unique. Features include click head adjustments for precise primer seating and all stainless steel components with aluminum handle.

Concentricity Gauge with wheel

This device enables the user to rotate the case one complete revolution with about 1/8 of a turn on the wheel. Providing consistent pressure on the case. Easily retrofits in a snap to the 21st Century Shooting Concentricity Gauge (run out gauge - as shown). Features include canting to the left or right to keep the base of the case rotating against the stop. For unlimited setup scenarios. Simply amazing!

Neck Turning Lathe

The floating design of our neck turner and the universal floating case driver allows the case mouth (bore) to run on the arbor absolutely concentric. Therefore allowing O.D. to be turned concentric with I.D. The tail-stock creates a horizontal inline support for the base of the case. Also allows the operator to keep both hands on the power screw driver or drill. This makes it very easy to control feed rate of the cutting operation, generating a very fine turned finish. Case holder drivers are designed to be the most gentle driver, yet providing an adequate hold.

**DOES NOT DRIVE OFF THE PRIMER POCKET
NO PRIMER POCKET OR CASE DAMAGE.**

Driver shaft is hexed to use power screw driver or drill.
17cal. Fireball to a .416 Rigby. Also 50cal.

Steve Archibald Sets Two New World Records

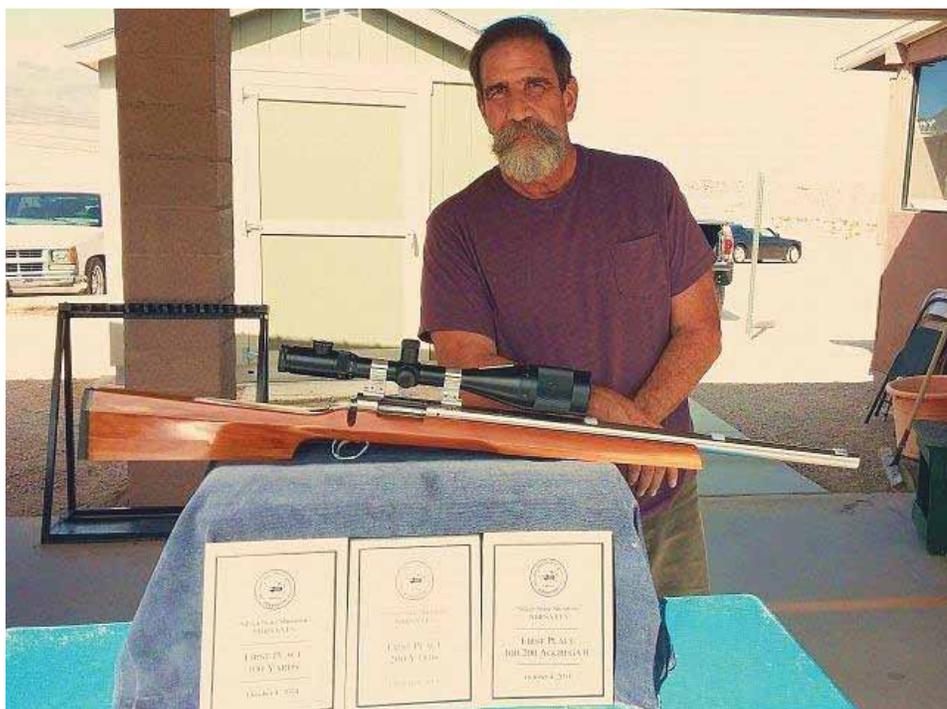

Steve Archibald from Sparks, Nevada (pictured at left) has established two new group benchrest world records on October 26, 2015. Some of you may remember the write up in April's issue on page 9 which detailed the match at Palomino Valley Gun Club in Reno.

The new records are the Unlimited Class 5, 5-shot group at 300-Yard Aggregate of .1702, which supercedes the world record 0.1801 established May 28, 1983 by Lee Andrews.

Steve also set a new world

record in Single Group Unlimited Class 5-Shot at 300-Yards. The former record of 0.355 was held by Jim McGowin and set June 16, 2008. Steve Archibald's new record supercedes this with 0.1676. Congratulations to Steve on setting two new Group World Records at 300-Yards!

The current NBRSA Group Shooting and Long Range World Records are also listed in this issue for your reading enjoyment. Score World Records were published on page 30 of April's issue. You can review current world records in Group, Long Range and Score shooting online anytime at www.nbrsa.org.

Sheldon Turf

New World Record Holder

November 7, 2015, Las Vegas

Sheldon Turf of Las Vegas NV breaks the 200-300 VFS record shooting a very impressive 498-23X at Desert Sportsmans. He not only broke the existing record but did so by two more X's! I have shot with Sheldon for years and have witnessed him have both good and bad shooting days. One thing is for sure though, he never gave up. Once Sheldon decided to smith his own rifles is when his scores really started to improve. He shot both yardages with a BAT 30BRX using a Krieger barrel and a Richards Carbon cedar stock topped off with a NF 12x42 BR scope. Good Shooting & congratulations!

Keith Myers,
Match Director

Gulf Coast Region's Newest Range Hosts Their Inaugural Match!

Thank you to the 22 contestants and countless amount of support we received on this opening shoot.

As the day began in the lower forties there was no wind, but as the temperature increased to the seventies a slight north-

west wind appeared. However, this did not stop the shooters whose scores' on the 300-yard line were nearly record-breaking.

In first for the 100 with a score of 250-23X was Jackie

Schmidt, followed by Ashley Jones with a 250 21X and Richard Pullum with a 250-21X Gary Walters placed first for the 200 with a score of 250-7X followed by Richard Pullum with a 248-7X and Jackie Schmidt with a 248-5X. For the 300, our top shooters were Dwayne Pullum 249-6X, Ed Bernabeo 249-4X and Jackie Schmidt with a 248-3X.

We appreciate all the help and support we have received and look forward to seeing everyone at our next shoot on June 18th and 19th.

Denton (Denny) P Andrews

Denny Andrews, age 74, passed away Friday April 29, 2016 at his home in Clarkston, Washington, surrounded by loved ones. He was born March 15, 1942 in Boise, Idaho, to Denver and Oleta Clark Andrews. When Denny was five years old and living with his family at Farragut Naval Training Station, his father Denver moved to Kodiak Island, Territory of Alaska, to assist with the construction of the Kodiak Naval Station. Denny, his mother, Oleta, and his sister, Lois, took the month-long journey by steamship to Kodiak to join him shortly thereafter.

As a young man, Denny worked in various trades, such as deck hand for several commercial fishing boats, a pea processor for Twin City Foods, and eventually as a law clerk. His law clerk experience is what drove his passion for the law. He clerked for a Judge in the Tacoma, WA area while going to law school. Each of his roles were spent in an effort to put himself through school. He obtained a BS in Industrial Engineering in 1967, and passed the Washington State Bar in 1973.

For the whole of Denny's life, he was widely loved by everyone he met. An attorney by trade, he spent his life helping those around him. A hobbyist scholar,

he shared his wisdom freely. Denny was also a competition bench rest shooter, who won the World Championship in Finland in 1996. His passion for shooting was contagious and he worked diligently to share his experience and knowledge with others. He was a past NBRSA President, Northwest Region Director, World Title holder and was Benchrest through and through.

Denny met the love of his life, Charmain Black, in 1987, in Washington. D.C., and they were married May 6, 1988. At the time, Denny was serving as Associate Counsel to the Secretary of the Navy, at the Pentagon, and, in 1991, moved to the Justice Department, as Senior Navy Trial Attorney - Criminal Division. In 1996, Denny and Charmain moved from Springfield, Virginia to Asotin County, Washington. He served as the Deputy Prosecuting Attorney for Asotin County until 2002, then moved into private practice as a Bankruptcy Attorney until he passed away.

Denny and Charmain spent their lives serving friends of Bill W. and family members alike. He was a highly influential man, and instrumental to anyone that needed him. He never hesitated to get involved with those he could help in some way.

Denny is survived by his wife, Charmain, and his daughters and grandchildren: Oleta and Constantine Vassilopoulos of Falls Church, VA, and their daughter Ana; Alexandria and Ken Abadie of Lafayette, Louisiana, and their children Gwendolyn, Mason, and Colin; Jean Marie Thomas of Washington D. C.; and foster daughter Missy Black of Spring, Texas. Surviving siblings are Lois Andrews of Puyallup, WA, Bruce (Robin) Andrews, David (Marina) Andrews, and Dale (Karen) An-

draws. He was preceded in death by his youngest sister, Carol Andrews LaFramboise, and parents Denver and Oleta Andrews. Denny is also the favorite and beloved uncle to his many nieces and nephews.

The family would like to express their heartfelt thanks to all of the attending nurses and staff from Elite Home Health and Hospice who helped Denny's last days to be comfortable. They especially want to thank Ed Winger, Denny's caregiver, who worked tirelessly to bring peace and comfort to Denny and his family.

A memorial service will be held Friday May 6, 2016, 2:00 p.m. at the Lewiston Seventh-day Adventist Church, 1212 19th St., Lewiston, Idaho.

In lieu of flowers, the family asks that you contribute to a charity of your choice in Denny's name.
