Many thanks go out to all that helped with the match; John Krenik for calling the match, his wife, Gloria and their two daughters for changing targets incredibly well (yes, they really are that good!), Pam for scoring, all the club members that helped behind the scenes and all the shooters that came from Lubbock that so ably helped set the target frames and also helped to take them down after the match was over. Thanks again all of you!

Todd Tyler Torches the Firewalker & Rod Brown Wins the Northern Colorado 4Gun

September 7-8, 2013

Howdy shooters to our final and biggest match of the year, the 26th Annual Firewalker! Wile E Coyote reporting. Northern Colorado Benchrest Shooters was close to a full house with 44 attending competitors all vying for the 1st place positions of our 3rd and 4th legs of the 4-Gun championship.

The loading barn was full to the brim with the sweet smell of cleaning solution and raw gun powder. Norm Wills was present with his trailer loaded with goods for needy attendees. Campers surrounded the loading barn ranging from overheads to massive RVs. Some shooters even loaded and cleaned from the comforts of their travel homes. Excitement was in the air. Tina and Kathleen were primed and prepped. Casey

and Theo had all the targets sorted and labeled. Bud made sure all shooters were on the correct benches and properly registered.

We began shooting at 9:00am sharp. Bud ran a tight ship to keep our 3 relays running smoothly so everyone could enjoy the evening festivities. Beautiful Colorado weather started everyone off and blinded some of us as the sun rose (yeah that was my excuse for not winning; it was the sun's fault, I'm sure of it). Light Varmint at 100 yards was dominated by Larry Baggett sporting a 0.1928 score. Woohoo Larry! Can I get a round of applause for the small group winner, Tom Evans with a tiny group of 0.1150.

With three running relays and a lighting quick target crew, clocked at a record five minutes, we soon came upon the lunching hour. Everyone enjoyed a nice lunch mixed with fingers tasting of Butch's bore shine between relays. Not one target came off the board, nor did any get stolen by stray wind twisters. The target frames were moved and shooting commenced. I did manage to speak with a couple shooters in between relays. This was LuAnn's first Firewalker as a competitor. She informed me she'd been looking forward to this for several weeks. She was also very thrilled to be shooting with her father, Dean Thomas, and husband, Jason Dill for the first time ever together.

I interviewed our target crew, Theo and Casey. I'm sad to say they'll be leaving us next year. One is off to college (he may be able to join us depending

where school is located) and the other is off to the Navy. They are getting a good man.

I made my way around to say hello to our lady shooters all of whom are wicked with their bench guns. So good to see you Muriel, Janet, Betty, and LuAnn; we need more of you. All of the usual shooters were present as well as our Wyoming buddies and everyone else I'd love to see more often. The shooters enjoy the level playing field. When you share a bench with others on different relays the constant moving of your front and rear rests can play with one's nerves. But rest assured, the shooter at the bench next to you is going through the same thing. Combine that with rotating eight benches and those with cool heads really shine. Thrilling! Although no screamers were shot in the first 100 yards of the weekend, several shooters agreed they did scream when that one bullet decided to jump out of the tiny little group they were making.

After everyone was good and discombobulated and target frames were moved to 200 yards the Firewalker kept on burning. Each relay went to the line and did their very best. Todd Tyler, whom I understand was on the World Team, won the 1st place position for Light Varmint 200 yards. His steaming 0.1999 score was just too small to beat. Mr. Tyler also took home the Roadrunner Small Group trophy with his 0.2000 group shot on the 3rd record target. This group and his group of 0.2140 shot on the 2nd record target were the only screamers shot in the Light Varmint 200 yards. Way to go Todd, Serious coyote shooting!

Close to the end of relay 1 the grill was fired up and steaks were sizzling thanks to Roger Tillery. Shooters as well as their spouses/guests were invited to bring a dish to the steak dinner. Never a requirement, but you're always welcome to bring your favorite dish to share. After 3rd relay completed shooting for the day everyone moseyed to the classroom where din-

ner was served. Steaks are provided by Top Notch owned by Randy and Laurie Stevens from Pierce, Colorado. Steaks are available year round so give them a buzz if you want Firewalker deliciousness more than once a year. Along with steaks, salad, baked potatoes, cowboy cooked beans, pies, and cakes no coyote can go hungry. Many thanks to Joyce Carpenter, Judy Schalles, Candy Yoder and every other cooker, baker, decorator, or cleaner involved in the food preparation and serving. It couldn't be done without you.

Shooters and guests enjoyed a calm, warm evening dinner chatting and retelling the day's crashes and wins. Many thanks to Jason Dill and Dean Thomas for power washing the eating and shooting areas. Although shooters are used to funky tastes with their food, a dinner is better minus dirt and for a change, the flies were not trying to carry us off.

Slowly everyone mingled back to their campers or the loading barn to prepare for the coming day. Laughter and chatter could be heard all around as the sun went down on one of the best shooting days I've attended.

Sunday morning promised everyone a sunny warm day for Heavy Varmint shooting. Everybody was refreshed and ready to go. Relay 1 lined up at the benches. Bud gave the "Commence Fire" command and it was on. Rodney Brown was in it to win it. He took 1st place with a 0.2013 score at 200 yards. Cliff McNairy enjoyed the presence of a Roadrunner trophy on his trip home for his small group score of 0.2520. Excellent shooting guys!

The final match of the Firewalker, Heavy Varmint at 100 yards was won by John Reiss with a scorching score of 0.1986. Small group was earned by one Larry White with a 0.108. You guys are smoking!

As the weekend and final match of the year wound down, Tina and Kathleen went to work on the results and determining the big winners. Bud laid the trophies out for all to ponder over and shooters hovered over the Wailing Wall while packing their equipment for the trip home. The once colorful sea of flags slowly disappeared. After a few short minutes the results were in. The Grand Agg winner of the Light Varmint 100/200 yard matches with a

score of 0.2092 went to Todd Tyler. The Grand Agg winner of the Heavy Varmint 100/200 yard matches with a score of 0.2281 went to Cliff McNairy. Awesome shooting coyotes!

The traveling Firewalker trophy was awarded to Todd Tyler and his score of 0.2204 for Light and Heavy Varmint 100/200 combined matches. What a win Todd! Excellent shooting! Be sure to congratulate Todd if you see him on winning our 26th Annual Firewalker.

We aren't done yet, oh no. The Firewalker isn't just our biggest match of the year it's also the final legs of the Northern Colorado 3-Gun and 4-Gun. If you'll remember these take place at different times during the year. The 3-Gun consists of Sporter, Light, and Heavy Varmint. I'm pleased to announce Rodney Brown as the 3-Gun winner with his score of 0.3176. Way to go Rodney!

Our final trophy of the year goes to our 4-Gun winner. This hot dog shooter earned his trophy by doing his very best

in the Sporter, Light, Heavy, and Unlimited 10-shot Varmint matches. The 4-Gun honors go to Rodney Brown with a score of 0.3153. Can I get a "yahoo" for Rodney!

It's been a great year with great people and memorable times. If you weren't there with us, put it on your calendar to join us next year. I promise you an enjoyable shoot and good food. To Bud, Tina, Kathleen, Theo, Casey, Dean, Jason, and Roger I give you the Wile E Coyote "Genius" award. You all rock!

Larry Baggett Lands the 2Gun Win at Land's End

Grand Junction, CO

Congratulations to Texan Larry Baggett on winning the Purple Haze. The Grand Junction folks are a great bunch of people, as Todd Tyler and Larry Baggett found out as the awesome twosome traveled from one match to the next on a grand Mid-Continent tour. Wherever they shot, somebody took home wood.

Aaron French shares that the two colorado clubs; Ault and Land's End are great fun. If you like to laugh, have fun and shoot with some great competitors, than you should give these ranges a try. The Land's End gang heads up to Reeder Mesa Winery for a great cook out after the registered matches. The food is great. The wine is great. The camaraderie is great. I'm sure Todd and Larry would agree. Congratulations to Larry. Purple Haze is the last match of the season and concludes the 3-Gun and 4-Gun Championships. With this in mind, it's time to recognize two outstanding shooters from the range...Congratulations to Dave Gibson on securing the 3-Gun Championship and Tom Stiner for ruling the 4-Gun. It couldn't happen to a better group of guys.

Krupa Wins WWCCA's Fall Classic by Bill Gammon

October 6-7, 2013

Well it rained, and I mean rain Friday night before the match, but Saturday became a usual Michigan fall day, except it was warm. We got a little sunshine (almost a full minute of it) so things were good. How would you like to be shooting at a target that is about 3 feet high and wild turkeys walking underneath the targets paying no heed to the bullets flying overhead? This happened in the middle of a match and the way everyone was shooting, the turkeys were safe.

Anyway, about seventeen shooters showed up to do battle with each other and on Saturday. Melvyn Newransky showed everyone the way home with a LV100 agg of .1816; the only one of 3 teen aggregates for the day. He was followed by Jack Neary .2096 and Joey Krupa .2150. In HV100, Jerry Jarrett was there with the 2nd teen agg of the day, a nice .1766, followed by Joey Krupa at .1852 and third was Peter Smith at .2238.

It rained throughout the night and pretty well most of the day, but that did not stop Rob MacLennan from shooting a .2138 agg followed by fellow Canadian Peter Smith at .2230. Margaret Jarrett was third at .2309. I give Margaret special consideration. Up until the last target she had the agg won with a .448, .363, .322, .382 and the last target took her to third. I believe special congratulations are in order for Margaret.

In the LV200 the old pros took over with Jack Neary first with a .2006, Joey Krupa took second with a .2249 and the "Dominator" Dominic Grunas third with a .2318.

The 2 Gun went to Joey Krupa, Jerry Jarrett, and Jack Neary. We will see you all next year and until then have a MERRY CHRISTMAS and a HAPPY NEW YEAR.

St Louis Score: Kloeppe Wins VFS Hemkens Wins Hunter

by Wayne Corley, Match Director

October 6, 2013

St Louis Benchrest Score Match

Our score shooting season has come to an end, we had a light turnout of a total of 14 competitors. We had the start of a really nice day for October but the temperature was dropping steadily as the day progressed and the wind was from the west all day but gave us all more trouble than we expected.

In the Varmint for Score class at 100 yards the winner was Wayne Corley with a 250-18X, 2nd was Bill Haynes with 250-11X and 3rd was Galen DeRousse with 249-15X. At 200 yards the winner was Jerry Kloeppe with 246-3X and 3rd was Dean Weston (shooting his first ever score match) with 245-2x and 3rd was Galen DeRousse with 242-5X. In the grand agg Jerry Kloeppe

was clearly the winner with 495-16X, 2nd was Galen DeRousse with 491-20X and 3rd was Bill Haynes with 491-13X. In the Hunter class the 100 yard winner was Joe Hemkens 246-15X, 2nd Tom Sisler 245-8X and 3rd Clark Greene 241-9X. At 200 yards the winner was Joe Hemkens with 238-0X, 2nd was Clark Greene with 234-0X and 3rd was Tom Sisler with 232-3X. The winner in the grand agg Joe Hemkens 484-15X, 2nd Tom Sisler 477-11X and 3rd Clark Greene 475-9X.

In the picture above are our trophy winners from left; Clark Greene, Tom Sisler, Bill Haynes, Galen DeRousse, Wayne Corley, Joe Hemkens and Jerry Kloeppe.

Thanks to all of our competitors that show up at the matches, to our match workers that make it all possible and a special thanks to those that travel

a long distance to compete. Our first score match next year will likely be mid-March, hope to see you all then.

Sacramento October Group Match *by Dan Lutke*

October 5-6, 2013

Sloughhouse Benchrest, CA

Fourteen shooters showed up on Saturday and sixteen on Sunday. They were greeted by very nice weather; the low was 50F and high 80F. There was quite a bit of wind and mirage in the afternoon on Saturday which was very hard shooting. We shot all 100 on Saturday and all 200 on Sunday. Congratulations to all.

October Group at Bruce Hodgdon Range *by Don Creach*

October 5-6, 2013 Mill Creek

There were twenty-three shooters who joined us Saturday when we fired the Light Varmint 100 yard and Heavy Varmint 100 yard matches. The weather was chilly and switching winds making small groups very difficult. Welcome Mark Harpenau first-time attending a local match with us. He is also the Light Varmint 100 yard aggregate winner with Chet Whitebread, Dean Ekstrom, Richard Brensing and Jim Gardner making up the rest of the top five. The small group of .121 was fired by Chet Whitebread.

Heavy Varmint 100 yard aggregate winner was Ron Miller. Jim Gardner, Dean Ekstrom, Bill Storbeck and Richard Brensing made up the rest of the top five. Small group .154 fired by Jon Leu.

Sunday morning we started with the Heavy Varmint 200 yard and Light Varmint 200 yard matches. Weather was forty-five degrees with a cold northwest wind creating tough shooting conditions.

The Heavy Varmint 200 yard aggregate winner is Jim Gardner. Richard Brensing, Mike McFarland, Rand Conrad and Don Creach made up the rest of the top five. The small group .324 was fired by Don Creach.

Light Varmint 200 yard aggregate winner is Mike McFarland. Bill Storbeck, Don Creach, Rand Conrad and Dean Ekstrom made up the rest of the top five. Small group .348 was fired by Richard Brensing.

Heavy Varmint Grand Aggregate winner is Jim Gardner. Ron Miller, Richard Brensing, Mike McFarland and Dean Ekstrom were the remaining top five.

Light Varmint Grand Aggregate winner is Mike McFarland. Mark Harpenau,

Dean Ekstrom, Richard Brensing and Don Creach were the remaining top five.

Thanks to all the competitors who attended our matches this shooting season. We look forward to seeing you back here next spring when we start up again. Thank you also to the target crew and scorer for another fine job.

Bart Sauter is the Iron Man

Johnson City, TN

The second leg of the Southeast Regionals was held at the Unaka Rod and Gun Club, August 31st and September 1st. It was a 200 yard 4-Gun with a 10 shot Unlimited. The first leg was held at Brock's Gap Training Center in Birmingham, Alabama back in June. When these two match results are combined, you have the results for the Iron Man 4-Gun competition. Following are the results first from the Unaka 200-yard match and then the results of the Iron Man competition which includes Brock's Gap 100 yard 4-Gun. As you can see, Bart Sauter was the winner and can claim the title of 2013 Iron Man. In addition to his Hall of Fame Entrance and great shooting at the Group Nationals in Fairchance, I'd say Bart's had quite a year! Congratulations to Bart and thank you to everyone for attending.

Includes both large and small punch housing and spring assembly.

Concentricity Gauge

This type of indicator was designed specifically for checking rotating diameters and in fact is exactly the type of gauge used in the machining industry for decades to measure run out; the very thing that we as hand loaders are striving to minimize or eliminate.

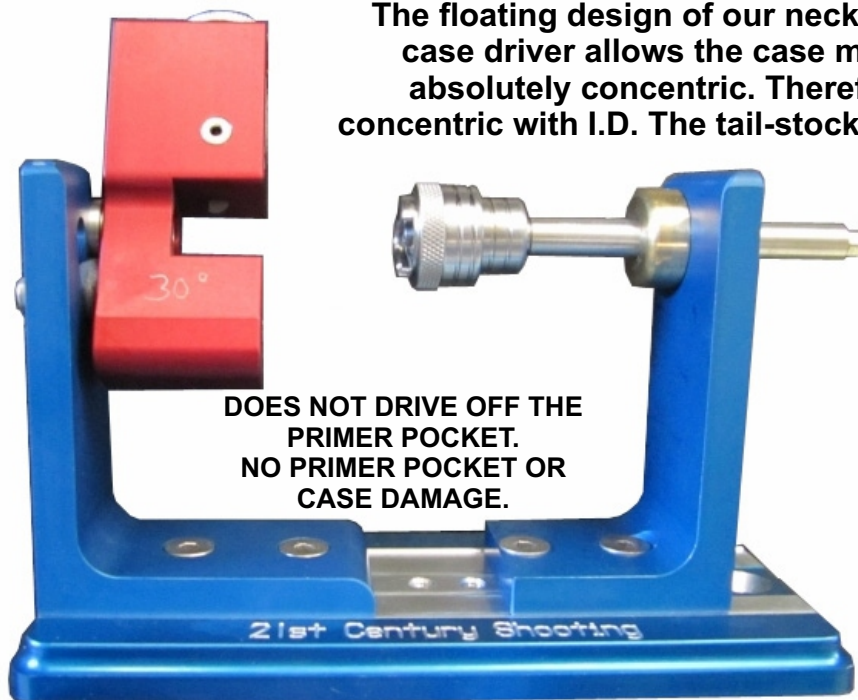

At 21st Century Shooting it is our goal to modernize an industry that has seen little change over the years. Our concentricity gauge is a perfect example.

Neck Turning Lathe

The floating design of our neck turner and the universal floating case driver allows the case mouth (bore) to run on the arbor absolutely concentric. Therefore allowing O.D. to be turned concentric with I.D. The tail-stock creates a horizontal inline support

for the base of the case. Also allows the operator to keep both hands on the power screw driver or drill. This makes it very easy to control feed rate of the cutting operation, generating a very fine turned finish. Case holder drivers are designed to be the most gentle driver, yet providing an adequate hold.

Van Dyne's Varmint-For Score Match by Dick Baier

September 14, 2013

The last match of the 2013 season was shot at Van Dyne on September 14th. Twenty-five shooters showed up for our second VFS match with a number of new shooters which we are always glad to see. There were 16-250's shot at 100 yards which let everyone know that the conditions were great.

At 100 yards, Craig Nagel was up to his normal performance with a 250-24X. Great shooting Craig. Wade Hunnewell did his best to catch Craig but posted a 250-22X...just 2 points short at 100. Third place went to Jim Koffman with a 250-21X followed by Lee Keller with a 250-19X. The 100 was rounded out by Ron Bertrand with a 250-18X.

The 200 yardage proved to be quite interesting as conditions managed to change quite often that afternoon. Only two 250-s were shot at 200 yards with Chad Schmidt shooting a 250-5X to finish in first place and Ron Bertrand with the other 250-2X finishing in second. Wade Hunnewell posted a 249-7X to take third and fourth was Paul Re-

idel with a 249-5X. Fifth went to Richard Frank with a 248-7X.

The Grand Aggregate was won by Chad Schmidt with an excellent 500-22X. Great shooting considering the afternoon conditions. Second was Ron Bertrand just two X's behind with a 250-20X. Third place went to Wade Hunnewell with a 499-29X. Rounding out fourth and fifth were Paul Reidel with a 499-17X and fifth was Craig Nagel with a 497=31X.

Many thanks to our range officer, Data Entry, Target Crew and all others that helped all season to make for smooth running matches all year.

Gibson & Perry Win Gulf Coast VFS

Southwest Louisiana

The weather was really nice both days with variable winds from 3 to 5 mph at times coming from all directions due to the thunderstorms passing through the area. There was very little mirage and the temperature stayed in the low 80's making the match days some of the nicest here this summer.

At the Hunter match on Saturday, Ray Perry won the 100 yd match shooting a 249-11x. Mike Guillot won the 200 yd match by shooting a 247. Ray won the Grand with a score of 495. Congratulations Ray and Mike.

At the VFS match on Sunday, Lynn

Gibson took the 100 yd match with a perfect score of 250-25x. Lynn then proceeded to shoot a 250-9x at the 200 yd match to win first place clinching first place in the Grand. Kenny Kupperman also shot a 250-9x at the 200 but was beaten out of first place by Lynn, who shot the first X. Lynn's targets have been submitted for a possible new world record of 500-34x. Congratulations to Lynn on the exceptional shooting. The results and pictures are on the following page. Thanks to everyone for attending and see you next year.

These bullets are being tested by top BR shooters, with great success. Lou Mardica has won matches in both Florida and California. Don Nielson won Two Gun Aggs three weekends in a row and Tony Boyer shot a 200 yard HV Agg of .1928 at the 2012 East/West match in Missouri.

The Berger 6mm BR Column Target bullet uses the physics of dispersion mitigation to provide BR shooters with a reliable option that offers the widest and lowest time valley. This means the bullet shoots best in the widest variety of loads and seating depths. In this case, overall balance of the bullet is more important than overall weight, so there is no listed weight. Rather, the 6mm BR Column bullet achieves a specific internal lead column height, resulting in minor weight differences from lot to lot.

Don't miss the Berger 6mm BR Column Bullet!

Tom Evans Wins Butch Kimmel Memorial

Labor Day Weekend Porcupine, South Dakota

This match marks the first annual Butch Kimmel Memorial Shoot. August 31st was the LV100-200 and first day of the Butch Kimmel Memorial. September 1 was the HV 100-200 second day of the Butch Kimmel Memorial and the last leg of the NC Region 4 Gun. Tom Evans is the 2 gun winner for the weekend and winner of the first annual Butch Kimmel Memorial, Bud Schalles is the 3 gun winner for the year and Rodney Brown is the 4 gun winner.

For the weekend we had head winds from the north and pleasant temperatures barely reaching into the 80s. By the 5th LV match at 100 yards the winds were picking up nicely and as we got into the 200 yard match we were getting winds approaching 30 mph. The 100 yard light varmint winner was Dean Parker whose 0.2388 was closely followed by Dave Tunbridge's 0.2490. The 100 yard small group was a 0.094 screamer by Tom Evans. At 200 yards the shooting became much more of a challenge. Of the 80 groups fired by the 16 competitors only 30 were less than one inch. Rodney Brown won the light varmint 200 with a 0.4303 agg and Dave Tunbridge took second with the only other agg less than half an inch, a 0.4885. The small group was Bob Prather's, magnificent for the conditions, 0.382. Rodney's 200 yard win gave him the light varmint grand win with Dave Tunbridge second. Saturday evening we were treated to Don Deckert's annual "Cream Can Stew" dinner.

Sunday morning we shot the second leg of the Butch Kimmel Memorial and the last leg of the year's 4 gun. We started with the heavy varmint 200 and it was evident that conditions had improved over Saturday's since of the 80 groups only 6 one inch accidents occurred. Bud Schalles won the heavy varmint 200 with a 0.2387 agg over Darrel Phillips' 0.2671. The small 200 yard group was Tom Evans' 0.298. At 100 yards Terry Hettich, shooting the 22 Mongrel, ran away from the field shooting three groups in the ones to win with a 0.2118 agg over Mel Klasi's 0.2700. Mel Klasi shot the small group with a 0.120. The heavy varmint grand winner was Terry Hettich, with a 0.2492 agg over Bud Schalles' 0.2738.

Back L-R: Darrel Phillips, Bob Prather, Bud Schalles, Dave Tunbridge, Bill Pond, Mel Klasi, Dean Parker
Front L-R: Terry Hettich, Rodney Brown, Tom Evans, Lane Conroy

The steadiest shooter of the weekend was Tom Evans who narrowly won the 2 gun with a 0.3450 agg over Rodney Brown's 0.3562. Congratulations Tom for being the winner of the first annual Butch Kimmel Memorial. The 3 gun winner for the year at PDTG was Bud Schalles but Rodney Brown's good shooting in the June unlimited won him the 4 gun.

Dean Thomas Wins at Northern Colorado

Written by LuAnn Dill

Northern Colorado Score Shooters L-R: Dean Thomas, Irv Sheldon, Phillip Sheldon, Ron Hensley, Bud Schalles Muriel Hensley. Kneeling: LuAnn Dill

Greetings benchrest fans and shooters! Wile E Coyote here to bring you the goodies on Northern Colorado Benchrest Shooters August Hunter and Varmint for Score match. Ten shooters came out to shoot in the August heat. Two shooters for Hunter Class and the remainder for Varmint for Score. Sadly Dick McQuisten suffered gun trouble right off the bat and headed home to make repairs. He and Dean Thomas were all set to show up the Varmint shooters. Good thing Dean had a Varmint rifle with him; he joined the others in showing skill and prowess with their Varmint rifles.

After a slight delay, all the attending coyotes sat down at the benches and begin the weekend shoot. The first match was 100 yards Varmint for Score. It was a neck-n-neck race for 1st place. The conditions were perfect allowing eight shooters to finish with a 250. Be sure to check out the scores, very impressive. However, John Ambler proved to be the best of the first match with a winning score of 250 20x. High X-count was also awarded to John. Way to go John! Conditions were so good lunch break was a bit shorter so everyone could continue out shining the sun. Once

again at the line we awaited Bud's coveted words: "Commence fire". Five targets later, Dean Thomas scooped up the win with a final score of 246 8x. Dean also won the high X-count for the 200 yard match. Great shooting Dean! You're trusty reporter managed to pull off fifth place with a huge grin.

At 8:00am Sunday morning all shooters once again took the line and did our best at 200 yards. Again conditions were in the benchrest shooter's favor. Dean once again scooped up the 1st place trophy with a score of 249 3x. High X-count was awarded to Ron Hensley with 7x. Way to go Dean and Ron!

The final match of the weekend was

100 yards and a new name appeared in the coveted 1st place spot. Our very own published author of two werewolf horror fiction novels, LuAnn Dill took the match with a final score of 250 18x. She also took the high X-count trophy. It wasn't an easy win however, she had two shooters hot on her heels with 250 17x scores. But then heat of the moment competition is also good for a writer's mind...keep's 'em on their toes.

Please hold your applause; it's time to honor our Grand Agg winners. The big winner for Saturday's Varmint for Score was Dean Thomas with a final score of 496 23x. Sunday's Varmint for Score big winner was awarded to Ron Hensley with a score of 498 24x. The 2-day 1st place winner went to Dean Thomas with a final agg of 993 39x. Hot dog fellas, that's excellent shooting! Watch out though, the ladies are right on your tails.

It was a great weekend of shooting and good times. Much laughter and hoots of joy were heard throughout the weekend. This coyote loves to shoot and loves to see you all come out; having fun is what it's all about. Of course none of this could happen if it wasn't for our Match Director, awesome target crew, and top dog office crew! Hats off to you all.

July 27, 2013

Most days at the range there are a few shooters that have it all figured out and a few shooters that struggle. This is one of the very few times that everyone struggled. The weather wasn't too bad with the normal amount of switching wind and mirage, but for the Tri Cities, the only excuse that I can come up with is goblins. I would say that it was a learning experience but I don't think any of us learned a darn thing.

All that aside, one shooter showed he had what it takes to win regardless of what is thrown at him. Top Gun Sam Small from the 2013 NBRSA Hunter Nationals took the win with a clean sweep. Congratulations to Sam on a great run this year and thanks to

everyone for attending our matches.

The "Fat Lady Sings" at Oak Hill by Cecil Peterson

Well the "Fat Lady" is singing. Benchrest is over for the 2013 year at Oak Hill Gun Club. The end of the season is with mixed emotions. All kinds of thoughts go through the mind at this time; like getting the gun back in tune, putting a new barrel on a primary, securing components for next year's matches. What about powder? Maybe the groups would be smaller with that new powder. Where to get a good deal on wind flags. Which time is optimal to start my group? How do you watch flags all the time? Overcoming bad benchrest manners like not slapping the trigger, keeping your head down, not rocking the gun while reloading and there just needs to be no more swearing out loud.

You see. There is so much that was not accomplished this year. There's so much more work to be done to be a polished benchrest shooter. However...

Nobody was injured; either from others or self-inflicted so maybe it's not so bad after all. Nobody was involved in any fights, spitting contests, or body elimination contests so it's not so bad. Maybe a few highs and a few lows but that's not so bad. Looking forward to another year and already planning's begun and that's not so bad. We shot in the rain today and it hasn't rained but one inch in three months so we were in a good mood to conclude the years' shooting - and that's not so bad.

Heavy Varmint 100 finishing order was Dean Ekstrom, Jerry King, Bob Cotton, Jim Schmidt and Jerry Wick. Small group was Jerry King's 0.128. Heavy Varmint 200 finishing order was Jerry King, Dean Ekstrom, Bob Cotton, Jim Schmidt and Jerry Wick. Small group was Bob Cotton; a nice 0.164. The Heavy Grand order was Dean Ekstrom, Jerry King, Bob Cotton, Jim Schmidt and Jerry Wick.

Unlimited 100 winner was Cecil Peterson, 200 yard winner was Jim Carstensen with Cecil Peterson the Grand Agg winner for Unlimited class. The statistics are presented separately; please view at your pleasure. Thanks to the target crew and statistician for another great year. You're the

Gary Bristow

Mike Bryant writes congratulations to Gary Bristow, Gulf Coast Region Shooter of the Year. At the awards presentation, Regional Director Scott Hunter read off the results for the Gulf Coast

Shooter of the Year and Gary Bristow was the winner by a large margin.

If you notice in the photo on page 4 covering the Buffalo Shoot two gun, Gary is the awards winner in the orange shirt, third from the left holding up about as many pieces of wood as he can hold with both hands. Gary did an outstanding job of shooting in just about every match he shot this year. Congratulations, Gary.

WBC-12: Rob Carnell

On behalf of the organizing team for the Sydney WBC, we just wanted to thank all the competitors for coming "down under" for the competition. Some travelled great distances and our firearms regulations do not make it easy. As well as seeing some wonderful shooting, we hope competitors had a chance to make a few new friends, and renew some past acquaintances. Hopefully they enjoyed their time in our country. Anybody else who may be

interested in coming to Australia for a match, just let us know, we promise to make you welcome.

On behalf of NBRSA, we are grateful for the kind hospitality our Aussie friends have extended and thank them for hosting this great event. Full coverage from the World Team match in Sydney, Australia will be provided in January's issue. Stay tuned!
