What What a great day for a match! We started the match with a light breeze that was about as good as it ever gets at our range but the wind did pick up a lot when we started the 200-yard match to our typical switching velocity wind and the direction was mostly from the west- a really fun and challenging day. We had a total of 18 competitors and thanks to all that attended.

In the VFS class at 100 yards the winner was Jeremy Mataya with a 250-21X, 2nd was Ken Lamb with 250-19X and 3rd was Greg Schipper with 249-19X. At 200 yards Mike Schneidman was the winner with 249-9X, 2nd was Harry Ward with 248-9X and 3rd was Jeremy Mataya with 248-8X. In the grand agg the winner was Mike Schneidman with 499-26X, 2nd was Jeremy Mataya with 498-29X and 3rd was Bud Mundy with 498-25X.

In the Hunter class the 100 yard the winner was Jim Dowling with 250-14X, 2nd was Tom Sisler with 250-14X and 3rd was Wayne Corley with 250-12X. At 200 yards the winner was again Jim Dowling and with 247-4X, 2nd was Matthew Hon with 243-3X and 3rd was Wayne Corley with 241-2X. In the grand agg the winner was Jim Dowling with 497-18X, 2nd was Wayne Corley with 491-14X and 3rd was Matthew Hon with 491-14X. ■

SP/HV 100/200 | Manley Oakley Memorial

Tacoma Rifle and Revolver Club | Tacoma, WA | Northwest Region

MAY 7-8, 2022

Results Received 05/16/2022

Submitted by | Bryan Zolnikov

On May 7th and 8th, 2022, Tacoma Rifle and Revolver Club held the Manley Oakley Memorial trophy match. Saturday brought us a cool morning with some tricky wind conditions such as abrupt gusts and switches at various yardages at the same time. The sun came out, even though rain was expected, and the wind stayed with us all day. We began with our Sporter class at 100 yards on Saturday morning which was won by Jeff Crose with a .2180" agg.

That afternoon at 200, the wind continued to be very tricky, but new shooter Jeff Crose shot through the tough conditions, taking the 200 yd agg. (.3492"). Jeff Crose shot the best overall for the day winning the Sporter grand aggregate (.2836")

Sunday brought mild weather and the light wind played a role in group sizes. We shot the Heavy Varmint class at 200 yards in the morning. Jeff Crose shot a .2309" agg. to win the yardage. At 100 yards in the afternoon, Eldon Yarbrough took the yardage with a .2266" agg. Steve Kostanich shot the best overall for the day and won the HV grand aggregate with a .2510" agg.

Jeff Crose kept his cool, remained steady and won the Manley Oakley 2 gun trophy with a .2811" agg. Congratulations Jeff!

The Hill Country Shooters Association hosted the 28th Annual Blue Bonnet / Texas State LV/SP Match at the Dietz range in New Braunfels on April 30th and May 1st. The weather forecast was calling for wind and drizzle and for a change they got it right.

We had twenty-four shooters and started up on Saturday with the Light Varmint 100 yard. The weather was cooperating, and Scott Haywood come out in first place with a 0.2042 agg. followed up by Gary Grove with a 0.2302 and close behind in third was Kirk McKinney with a 0.2480. The small group was shot by Jackie Schmidt with a 0.130.

After a nice BBQ lunch, we got back to the benches for the 100 yd sporter match and Gary Bristow managed to shoot a 0.2186 agg for first place, Kevin Black with a 0.2366 in second and Gary Grove in third with a 0.2424. Gary Bristow also had the small group for the match with a 0.109

Sunday morning the forecast wall calling for sunny skies and 15 -20 mph wind. After a bit of fog burned off the sun came out and we started the 200yd Light Varmint match. Bill Sparks finished in first place with a 0.2376 agg., Scott Haywood came in second with a 0.2379 and B.G. Lott shot a 0.2450 for the third-place spot. The small group was shot by Scott Haywood and was a 0.206.

After lunch we started up on the 200yd Sporter and Mike Conry won the yardage with a 0.2733 agg, Cody Engel in second with a 0.2803 and B.G. Lott finished in third with a 0.3178. The small group was shot by Mike Conry and was a 0.310.

For the Light Varmint grand, Scott Haywood finished in first with a 0.2211, Gary Grove in second with a 0.2548 and Kirk McKinney was third with a 0.2623.

The results for the Sporter grand had Cody Engel on top with a 0.2697 agg., in second was Mike Conry with a 0.2843, and in third place was John Horn with a 0.2942.

For the Two-gun LV/SP the winner was Scott Haywood with a grand agg of 0.2684, in second place was Mike Conry with a 0.2782 and Gary Grove came in third with a 0.2890.

Speedy donated a new Bartlein barrel to raffle off at

the end of the shoot. Mike Conry was the lucky winner. A special thanks to Speedy for all he does for this sport.

We really enjoyed hosting the match and It was great to see some old friends and make some new ones. ■

An overcast sky, light winds, temp of 60-70 degrees set the stage for a Benchrest match in Eastern Iowa near the Mississippi river.

Match Director was absent due to covid illness so the fill-ins went to work preparing the table for competition.

A new shooter from Wisconsin (Robby Vick) graced us with his presence and placed 3rd nudging out some good local boys.

Once the shooting started, various problems surfaced and the worst was an extraction of a loaded round with resulting powder in all the wrong places!

The regulars continued their dominance and knowledge of the range.

Dean Ekstrom followed by Jerry Wick led the pack, but James (Wes) Johnson had a great 200 yard group (0.226).

The results of your favorite shooter is listed separately. Planning for June match with all of management present. ■

It was a warm spring day in Rose Valley for our May 600 yard match, with a good turnout.

Bill Hubina was the match winner shooting an outstanding 50 3x in Light Gun, with a 6 Bra, and a 99-3x in Heavy Gun with his 284 Sheehan. He faced fierce competition with Frank Carlsen and Scott Young close behind. The winds were mild, but the mirage was a factor.

Long time shooter Keith Cottrell shut the small group in Light Gun and Barry Bluhm was the three target winner with a score of 137 2x's.

It's always good to see former NBRSA VP Don Nielsen participate in matches. A special thanks goes out to Barry Bluhm who's been our match director for all these years. For more information log on to our web site at Ojaibenchrest.org.

It was good to see everybody again. Although not all the cool temps had left the country, we had night in the high 30's.

In the 100yd Hunter class we had two 250-13 Stephen Rosendale and Mike Toby with Mike winning the tie breaker.

Saturday turned into a Mike Toby day. Mike finished with a strong 249-11 and dropping the last shoot at 200. Craig Nagel keep him honest with 245-4.

Mike Toby at the top in the Grand with a 499-24, 2nd Craig Nagel 494-19, 3rd Jim Koffman 493-19, 4th Stephen Rosendale 493-15, 5th Kevin Mielke 491-16.

Sunday VFS started out cool and windy. There were six 250's shot, 1st Dean Walther 250-20, 2nd Jim Koffman 250-18, 3rd Dee Myers 250-18, 4th Nick Trease 250-18, 5th Jeff Shultz 250-15.

VFS 200yd Jeff Shultz shot a strong 250-3 in some switchy winds for 1st place, 2nd Dean Walther 249-6, 3rd Ron TeSelle 247-5, 4th Brad Anders 246-8, 5th Chad Hilton 246-5.

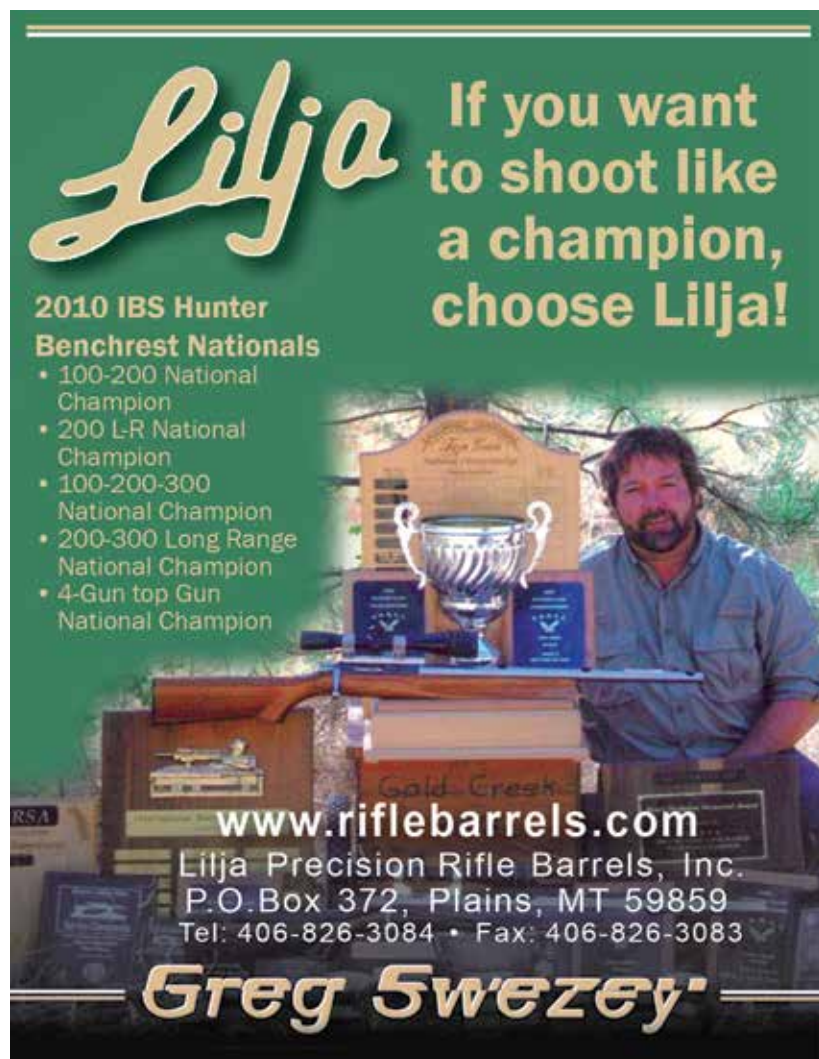

For the VFS Grand 1st Jeff Shultz 500-18, 2nd Dean Walther 499-26, 3rd Brad Anders 495-24, 4th Ron TeSelle 495-20, 5th Stephen Rosendale 495-19.

The HBR/VFS – 2 Gun, Mike Toby was able to keep it together for the win with a 992-44, 2nd Jeff Shultz 989-25, 3rd Dean Walther 988-43, 4th Stephen Rosendale 988-34, 5th Jim Koffman 987-39.

There was some good shooting that weekend - it was fun to watch! ■

7th Annual Andrews Memorial Tournament

Tacoma Rifle & Revolver Club | W. University Place, WA | Northwest Region

JUNE 4 and 5, 2022

Results Received 06/09/2022

Submitted by | Bryan Zolnikov

This year marked the 7th Annual Andrews Memorial Tournament. This match is a fun warm-up for the Sniper King in July. We shot Heavy Varmint on Saturday and 5-Shot Unlimited matches on Sunday for the Northwest Regional.

On June 4th and 5th shooters from around the Northwest traveled to Tacoma Washington to attend our third NBRSA match of the year. Saturday was cool in the morning with light-breezy to mild conditions. We began with our Heavy Varmint match at 100 yards on Saturday morning which was won by Larry Boers with a .2254" agg. That afternoon at 200 yards, Larry also won with a .2498" agg. Larry Boers held on to win the HV Grand Aggregate with an aff of .2376".

Sunday morning brought some overcast skies and heavy rain, but it mostly only drizzled during the match.

We shot the Unlimited class at 200 yards in the morning. Larry Boers shot a .1957" agg to win the yardage. That afternoon at 100 yards, Bryan Zolnikov took the yardage with fantastic .1792" agg. Larry Boers won the Unlimited Grand Aggregate with a /.1889" agg.

Larry Boers had a great day overall and held on to win the 2-Gun with a .2132" agg. Congratulations Larry on some fine shooting! ■

The Wolverine Challenge Match

Western Wayne County Conservation Association | Plymouth, MI | Eastern Region

JUNE 11-12, 2022

Results Received 06/13/2022

Submitted by | Lee Hachigian

On June 11-12, the Western Wayne County Conservation Association (WWCCA) range in Plymouth, Michigan hosted its annual Wolverine Challenge Match. This year twenty-one shooters from Michigan, Indiana, Illinois, Ohio, and Canada attended in hopes of capturing the 2-Gun. The weather was outstanding for Michigan, with temperatures in the 70s/80s and low humidity. Each day was sunny with chippy winds out of the west southwest. Sunday was downright hot with temps getting up to 86 degrees. Tuned rifles and keen decision-making on when to start your group were the keys to success. It was also great to see several new shooters, Chris and Adam Lindsey as well as Len Woods.

On Saturday for the 100-yard aggregates the wind was brisk and switchy, but if you could time the lulls, you were able to shoot small groups. Several outstanding aggs were posted.

LV-100 Yards

John VanMiddelKoop	0.2262
Pat Reagin	0.2272
Mike Johnston	0.2400

Dewayne Wood, Small Group 0.076

On Sunday, the conditions remained more of the same. The winds in the afternoon kicked up causing swirling conditions in the bowl-shaped range at WWCCA. Shooters that were unhurried and methodical shot well.

California State Shoot (Second Half)

Visalia Sportsman Association | Visalia, CA | Southwest Region

APRIL 23 & 24, 2022

Results Received 06/13/2022

Submitted by | Mike Sosenko

Twenty two participants arrived in Visalia, California for the Four Gun State Championship. Thursday and Friday's practice days demonstrated the best and worst of the range conditions. Shooters experienced every type of condition ranging from dead calm to hard winds and rain.

Saturday morning commenced on a somber moment. A moment of silence and remembrance was offered for one of our own. Jim O'Brian had left the range. Jim passed away on the morning of April 6th as a result of a battle with cancer. Jim was a quiet and gentle man. His quiet strength and his memory shall remain with us for the rest of our days.

NBRSA Member of the Month

JASON PETERSON

Visalia Sportsman Association | Visalia, CA | Southwest Region

***Congratulations on being chosen as our
NBRSA Member of the Month!***

Please tell us about your family and where you live?

I live in Chico, CA with my wife Sue and thirteen year-old daughter, Mackenzie. I am fortunate to be able to attend many short and long range benchrest matches with my dad, Phil Peterson.

How many years have you been shooting Benchrest?

I have been shooting benchrest for a total of about 10 years but there was a big break in the middle as I focused on family life. I bought my first 6mm PPC when I was 25 and was hooked. I always enjoyed getting the most accuracy out of varmint rifles while growing up and moving into benchrest was a natural progression.

What is your favorite Benchrest shooting discipline? Long Range? Score? Group?

I shoot both short range group and 600 and 1000 yard benchrest matches and I find both to be challenging and fun. While more of my friends shoot long-range benchrest, I appreciate the unique challenges short range matches present.

What is your home range or Rifle Club?

My home club is the Tehama Shooters Association and in the next year we will begin holding registered 600 and 1000 yard benchrest matches.

Jason Peterson - NBRSA Member of the Month ~ Continued

Favorite match or matches you annually attend? What makes these matches so special?

My favorite NBRSA matches are in Medford OR but sadly they took a pause during the covid shutdown and have yet to resume. The venue is beautiful and fair and the matches are well run. Medford is more centrally located on the West Coast so it draws shooters from as far north as Seattle and as far south as California so I get to interact with many of the longrange shooters who have become good friends.

Which friends do you like go to matches with?

I am blessed to attend most matches with my dad. In addition, I really like to shoot with Jeff Locke and Keith Faller from Washington and Oregon respectively, and Bill Wood and the rest of the crew at the Tehama Shooters Association. I have also enjoyed the people I have met while attending IBS 1000 yard matches at the Deep Creek Range in Missoula Montana and my goal is to attract more of those shooters to our NBRSA matches in the future.

What rifle components do you use (Scope, Stock, Action, Barrel, Trigger)?

My short range rifle features a Borden BR action pillar bedded by Tom Meredith in a TMBR stock and is topped with a Sightron SIII ED 45x scope. My most accurate barrel to date has been a Bartlein gain-twist 13.85-13.75 with a .268" neck chambered by my dad. My long range rifle is a 6mm BR Ackley built on a Borden BRM drop port action glued and screwed by Alex Wheeler into one of his fiberglass LRB stocks. My best performances with it have come with Krieger and Brux Barrels.

I started making my own short and long range bullets and really enjoy

the challenge. I owe a great deal of thanks to those who have offered me advice and encouragement along the way, including: George Ulrich, Joel Nader, Mike Sosenko, Gary Ocock and Roy Hunter.

What's your highest shooting accomplishment thus far?

(Small group, Aggregate or Grand win, 2-Gun, etc, win)
My highest shooting accomplishment in short range came in February 2022 when I won my first 2-gun in Visalia CA. I shot my best ever yardage agg (.17xx) that weekend and also won my first grand aggregate. It was also the first match I shot my own 68gr 8-6 ogive bullets made on a set of George Ulrich dies.

My best weekend of long range competition was in October 2018 when I set 4 NBRSA score records at a two day 600-yard match and also won the 2-gun group aggregate.

What are your current/future shooting goals?

My focus is on growing the NBRSA long range ranks by holding matches at our range outside of Red Bluff, CA. Unlike most other NBRSA ranges on the West Coast, we don't have a "live pit" that requires shooters to pull and mark targets during the match while others are shooting. The hope is that this will offer an opportunity for shooters of all ages and physical abilities to participate and enjoy the match throughout the competition day.

Any advice you would share with new shooters?

Find a few good mentors and show them respect by following their advice, practice as much as you can, and most important, find a great gunsmith that has built winning rifles in the discipline you are hoping to compete in and LISTEN to them. The best gunsmiths are rarely the cheapest or the fastest but they will save you money and frustration in the long run. ■

“Ready on the Firing Line...”

By | Lee Hachigian

If you ever had the opportunity to shoot next to some of those top-level shooters, you'll see them watching the range with their bolt open and a round laying on the action. When they get ready to shoot, they close the bolt, inserting the round into the chamber, but then something changes with the conditions and they open their bolt and extract the round. Most of them put the extracted round back somewhere into the loading box. I never do this, and normally fire the round on the record. I always wondered why some shooter extract the round and others don't (...gives you a clue where they seat their bullets). Below are what several seasoned veterans have to say on the subject.

During a relay, do you remove a loaded round from your chamber when you need to wait for your conditions (if so, why)? Do you cull the that round or would you use it on the record?

Jeff Peinhardt

I rarely remove a loaded round from the chamber as there is a high likeliness, I will pull a bullet. I typically have bolt forward with no round chambered waiting, when ready to go, I load and get after it. If I've started and need to wait for a long time for a condition with a chambered round, I just fire the round at the sighter.

Jack Neary

If I am shooting a match on a very hot day and I have a concern where my round is baking in my hot chamber, I will ALWAYS shoot it on the sighter. Regardless, of where you believe your seating depth is set at near "Just-Touch", well back from the "jam", I have seen many shooters, of all skill levels, attempt to remove their cartridge from their hot chamber, only to learn that due to a little carbon that is now slightly built-up in the throat, they extract the case, but not the bullet, and dump powder in their chamber and in the locking-lugs on their rifles action, thus requiring to try an borrow a rifle to finish their group which always ends badly. Why take this risk to jeopardize your aggregate/Grand aggregate/2-Gun, etc.

Gary Ocock

The last 5-10 years I fight the patience thing, so I'm usually not waiting for another condition. However, if I had a round in the chamber for a long time, most likely I would sighter it. I've tied cooking a round in my rail barrel (phoenix summers), most of the time I didn't see a predictable change because of heat. With the varmint gun, if I was shooting well most likely I wouldn't take a chance. All of what I said is gut instinct, what happens during a match is subject to change.

Harley Baker

I will remove a loaded round during a match. I will fire it on record the next match.

Craig Rowe

No, If I have waited quite a while, I will shoot it down on the sighter.

Donald Rosette

I don't remove the loaded round from the chamber. When my condition comes back, I'll shoot it on the record.

Greg King

If I'm sitting very long with a loaded round, I'll shoot it on the sighter. Too many times I've seen somebody holding a rifle up trying to get all the powder out of the lug area after sticking a bullet. Bad words.%\$#@

Jeffrey Gaidos

My normal set up is to have the bullet seated close to jamb. Therefore, I don't remove a loaded round from the chamber during a match for fear I could pull a bullet and dump powder in the chamber. If you are going to do that then make sure you will not pull a bullet by doing this in practice before a match.

Joel Nader

If the chamber is really hot it's a good idea to open the bolt and pull the round if you have a non-ejector bolt. If your bolt has a spring-loaded ejector just dump the cooked round on the sighter. If temps are under 80 degrees and you're shooting 6 or 7 rounds each relay, don't worry about cooking a round, leave it in the chamber and shoot it on the record.

Victor Potts

Once a round goes into chamber and on record target, if it's too long before my condition comes back will drop down to sighter and use it there. ■

MATCH REPORT SUBMISSION GUIDELINES

All match reports and content must be received by the 13th of each month to be included in the next month's issue. All match reports need to be emailed to the Editor at lisajas92@gmail.com.

Match reports can be in an email, Word document or PDF file. Please keep written match reports to one page, two pages at most! Please include Match Title/Name and Match Date(s). Please note that all match reports submitted are subject to editing to fit space constraints.

IMAGES: For images that are submitted please include the name(s) of the shooter(s) and label other image(s) submitted for recognition. Photos need to be high resolution and sent as a .jpeg file.

Perfect Shoulder Bump!

Competition
Shellholder Set

— With No Die Adjustment —

The easy to use Redding Competition Shellholders enable you to perfectly match the headspace of your reloaded ammo to any firearm. Once the proper shellholder is determined, your results are repeatable — *no die adjustment is necessary*. Each shellholder is clearly marked to indicate the amount it will change case to chamber headspace — *no special tools or gages are needed*.

— Packaged in five piece sets in .002" increments —
