GREETINGS VALUED MEMBERS!

The NBRSA has incurred continual cost increases across all facets of our operations during the past several years impacting our necessary revenues. Our NBRSA leadership team has done our very best to manage the operating costs of our organization to where we now must address this issue with a membership fee increase.

Additionally, in the next few months, we will be creating a new NBRSA website and also adding a new Social Media Content Manager contract employee, in an effort to sustain and support the continued growth of our NBRSA organization. These necessary actions and additions will require an increase in our annual membership fee to sustain our long-term financial viability.

Please note, our last membership fee increase was 10 years ago.

To that end, effective November 1st, our annual membership fee will increase from \$60.00 to \$85.00 dollars. The new annual \$85.00 dollar membership fee may be paid by credit card or by check with no additional fees.

We thank you for your understanding and continued support of the NBRSA.

Respectfully,
Jack Neary, President

Good News - Bad News

After watching it rain off/on all day and evening before the match with a forecast of rain the morning of the match questions were arizin!!!

Do we cancel the Match?

Forecasters always give percentages so do we play the percentages? WE DID!

On the way to the match, in the DARK, there was LIGHTENING to the south and west of the range. Did we just screw up?

The WEATHER GODS were with us and the storm passed to the south - A BULLET DODGED!!!!

The match started with clear skies and near calm conditions with 88% humidity the only STICKY POINT.

The Good News - the match went off without a hitch.

Now for the BAD NEWS.

Our Match Director (Jim Schmidt) announced his retirement from this high paying job!!!! He has been involved in running the matches for the past 18+ years. These SHOES will be hard to FILL!!!! Good Luck in your future endeavors. ■

On September 17-18, 2022, the Western Wayne County Conservation Association (WWCCA) range in Plymouth, Michigan hosted its annual Fall Classic Match. This year we had twenty-three shooters attend in hopes of capturing an end of season 2-Gun. The weather was perfect for Michigan, with blue skies, warm temperatures mild winds out of the Southwest. Southwest winds are somewhat tricky at WWCCA's bowl-shaped range shooting to the east. Waiting was the name of the game, and with a well-tuned rifle. Only those able to get and keep their rifles tuned would challenge the podium.

On Saturday morning for the LV 100-yard aggregate, the winds were calm and outstanding aggs were posted. In the afternoon, the winds picked up considerably, and those shooting on the right side of the range benefitted by the berm and the impacts of the SW wind.

On Sunday, beautiful weather again embraced those who attended the match. The competitors rotated half the number of benches, which may have proved beneficial for some. The winds were still out of the SW, but were a little stronger, causing swirling conditions in the bowl-shaped range at WWCCA. Those shooting on benches on the sides of the range were seeing much more consistent conditions than those in the middle.

2022 Cotton Boll Gulf Coast Regionals

The 2022 Cotton Boll shoot was held September 17 and 18 at the Llano Estacado Shooters Association Range Southwest of Lubbock Texas. We had a total of 27 shooters show up this year to compete in some challenging conditions. We shot both days in a very inconsistent switching tail wind ranging from 15 to 25 mph. Saturday morning we started with LV 100 yards, Everett Horner started with an impressive .183 and never let up, after the fifth target he was on top with a .2030 Agg. Close behind him was Speedy Gonzales with a .2084 and Steve Murphy with a .2126. After a lunch break, we resumed with HV 100 yards and the winds were definitely holding strong. Cody Engel started off with the lead with a .204 as the rounds continued going down range it became very evident that everyone was going to shoot at least a 3 or 4 tenths group whether they liked it or not. At the end of the match our very Steve Murphy had prevailed as the winner in spite of shooting a .343 and a .384 followed by the small group of the match a .158. Steve's Agg was a .2684 followed by Mike Conry with a .2732 and Speedy Gonzales with a .2786.

Sunday Morning we started with HV 200, the first relay experienced relatively calm winds but it didn't last long. Mike Conry started things off with a .303 and he never really showed any sign of letting up. On the second match relay one, Kyle Shultz somehow managed to sneak in an impressive .135 which stood as the small group. When the match was over, Mike Conry took the win with an impressive .1980 Agg, Cody Engel was second with a .2659 followed by Speedy Gonzales with a .2737. When the results were tallied, Mike Conry's 200 yard performance gave him the HV Grand with a .2356, followed by Speedy Gonzales with a .2762 and Cody Engel with a .2782.

After Lunch we resumed with LV 200, as the winds grew stronger so did the group sizes, Speedy started off with a nice .370 that was joined on the wailing wall with several inch plus groups. As the match continued nearly everyone had an inch or very close to an inch group as the conditions continued to be a challenge. After the last shot of the second relay was fired Mike Conry again had worked his way to the top of the list

This was also the second half of the Gulf Coast Region 4-gun, the first half was shot in Midland back in July. The 2022 Gulf Coast Region 4-Gun Champ is Speedy Gonzales with a .2963 Agg. Second is Mike Conry with a .2944, Third is John Horn with a .3380. As you can tell by the Aggs, these matches were shot in some very challenging conditions.

Also, this was the last match in the Gulf Coast Region this year so the Gulf Coast Shooter of the Year was also determined at this match. Mike Conry won the title with 390 points, Kevin Black was second with 313 points and John Horn was third with 279 points. I would like to mention here that Kevin Black put together a new traveling trophy for this match this year. It's the Rented Mule Award, Gulf Coast Light Varmint in Memory of Larry Baggett. As you all know we lost Larry earlier this year but I promise you he was very much with us at this match. Steve Murphy will be the first name on the trophy.

I'd like to again thank everyone who helped run the match this year and all of those came to shoot. ■

Eddie Harris Wins 2022 NBRSA SE Regional 4-Gun & 3-Gun! Andy Shifflett Wins 2-Gun!

Middle Georgia Gun Owner's Association in Dublin Georgia hosted the 2022 NBRSA Southeast Regional Championship September 22-25. MGGOA is the home of the Shamrock held every March for the last 21 years. Next year the Shamrock will be held March 25-26 2023. Y'all come shoot!

The Southeast Regional Championship is a 4 day, 4 gun mini-nationals. We shoot Unlimited and Sporter 200 on Thursday, Unlimited and Sporter 100 on Friday and run Saturday per the usual LV-HV 100 followed by HV-LV 200 on Sunday. This year the weather was beautiful all 4 days.

Thursday starting Unlimited 200 the wind was non-existent for the first couple of groups. Buddy Ross started strong shooting .356. In match 2 Steve Lee followed up his match 1 .363 with a .410 to take the lead. By match 3 the wind was starting to blow a bit and Wayne Campbell shot .370 to take the lead. Lots of big groups in match 4, but Wayne clinched the win shooting .474 in match 5. He won with an agg of .2337. Eddie Harris was second with .2773 and Buddy Ross finished third with .2921. Don Hardeman had small group with .322.

Thursday afternoon was Sporter 200 and conditions were very sporty! Andy shot .515 in match 1 squeaking by Wayne's .519. After his match 1 train wreck, Eddie Harris shot a nice .383 in match 2 followed up by very consistent 4's and 5's for the rest of the agg. Dana English was in the lead after match 4 despite having 3 6's (tells you what the conditions were like) but stumbled in match 5. Wayne Campbell won the agg with .3260, Eddie Harris was second with .3331 and Dana finished third with .3457. Eddie had small group with his .383.

Friday morning was Unlimited 100, and again started out with light wind. Roy Darnell started out with .179 which wound up being small group. After match 2 Roy and Eddie Harris were running close. Match 3 had a lot of large groups but Wayne Campbell delivered a .227, followed up with .211 and .250 in matches 4 and 5. Wayne won the agg with .2476. Eddie Harris was second with .2712 and Don Hardeman finished third with .2854.

In the afternoon in Sporter 100 Ralph Stewart started with .158. In match 2 Steve Lee shot .161 followed by .188 in match three to take the lead. A .364 in match 4 turned dreams of glory to ashes as Brian Schumacher shot .160 to take the lead. Brian shot small group .122 in match 5 to seal the deal. Brian was first with .2086, winning his first agg and first SE Region Hall of Fame point, Steve was second with .2466 and Billy Stevens finished third with .2532.

Saturday morning in LV 100, Billy Stevens started with .127. In match 2 Danny Morgan shot small group .078 to take the lead and never looked back shooting two 2's and a .151 to win the agg and his first SE Region Hall of Fame point. Danny won with .1938, Jeff Youmans was second with .1980 and Gary Sullivan finished third with .2072.

In HV 100 Steve Lee started with .168, but that didn't last long. By match 4 Brian Schumacher had pulled into the lead and finished with .2264 to win his second SE Region Hall of Fame point. Wayne Campbell was second with .2326 and Steve Hill finished third with .2350. Eddie Harris had small group with .134.

Sunday morning in HV 200 Jeff Youmans started with a nice .276. In match 2 Ralph Stewart shot small group .222. I don't remember what happened after that...the lead was changing every match, but when the smoke cleared Andy Shifflett won with .2202. Buddy Ross was close behind with .2208. Gary Sullivan was third with .2262 and Scott Haywood wasn't far behind him with .2275. Top 4 shooters were separated by .0073...that's a horse race!

In **LV 200** Andy Shifflett started with .359 and never looked back. He shot four 3's and a 5 to take the win with .2114. Don Hardeman was second with .2296 and Ralph Stewart finished third with .2491. Gary Sullivan had small group with .215.

In **Unlimited Grand**, Wayne Campbell was first with .2407, Eddie Harris second with .2743 and Don Hardeman third with .2953.

In **Sporter Grand**, Eddie Harris was first with .2955, Brian Schumacher second with .2982 and Steve Lee third with .2986.

In **LV Grand**, Andy Shifflett was first with .2197, Jeff Youmans second with .2319 and Gary Sullivan third with .2353. In HV Grand, Texas refugee Scott Haywood was first with .2317, Brian Schumacher second with .2410 and Eddie Harris third with .2411.

In **2-Gun (LV-HV)** Andy Shifflett was first with .2390, Gary Sullivan second with .2420 and Eddie Harris third with .2449.

In **3-Gun (SP-LV-HV)** Eddie Harris was first with .2618, Andy Shifflett second with .2636 and Gary Sullivan third with .2709.

In **4-Gun**, Eddie Harris was first with .2649, Wayne Campbell second with .2651 and Andy Shifflett third with .2787.

Eddie Harris and Andy Shifflett wound up shooting their way into the Southeast Region Hall of Fame. Brian Schumacher

We had a beautiful weekend at Prairie Dog. The temperatures were in the low to mid 80s with enough wind to keep everyone on their toes. There was some rain but not while we were shooting. We shot 10 shot unlimited and sporter the first two legs of the four gun.

At 100 yards in the Unlimited the rail guns ruled for the first two places with Dave Tunbridge winning with a 24 aggregate; Dan Dowling was second and Terry Hettich third. Small group at 100 yards was a 0.177 by Dave Tunbridge. At 200 yards Dave Sherman won with a 34 aggregate with Rod Brown second and Jerry Carter third. Small group at 200 yards was a 0.291 by Terry Hettich. The unlimited grand aggregate was won by Dave Tunbridge's 0.3106 with Rod Brown second and David Scherman third.

On Sunday we started at 200 yards in Sporter. Rod Brown shot a very nice 0.2008 aggregate to win the sporter 200. Dave Tunbridge took second and Dan Dowling third. Small group at 200 yards was Rod Brown's 0.211. At 100 yards Dan Dowling won handily with a 0.2284 aggregate with Lynn Dooley second and David Scherman third. The Sporter championship went to Rod Brown with a 0.3626 aggregate, Dan Dowling was second and Terry Hettich third. The small group at 100 yards was Bill Pond's 0.107. The sporter championship went to Dan Dowling with Rod Brown close behind in second and Dave Tunbridge in third.

The two-gun winning aggregate was Dave Tunbridge's 0.2992. Rod Brown was second and Terry Hettich third.

We had a great weekend. Don Deckert did the scoring, Dave Tunbridge ran the computer and a gaggle of Deckert children and grandchildren made up the target crew. ■

It was a Chamber of Commerce type of weekend in the Kansas City area meaning the weather was absolutely spectacular. We had sunny highs in the upper 70's/low 80's with light S/SE winds and cool mornings. We tried something different at this match in that we only shot 200 yard events all weekend. The shooters seemed to really enjoy that format and it sure is easier for setting up target frames and backers. We shot all four classes of rifles.

On Saturday, we started the **Sporter 200** match at noon with sixteen shooters. Winds stayed around 10 mph with a very strong mirage that really tested the shooters. Lots of groups over 1" were shot. Richard Brensing is always tough and he's even tougher when there's a strong mirage. He jumped out to an early lead and then he and Edward Collins traded the top spot for the rest of the match. Edward won the battle on the fifth target and took the win. Fred Martin shot a 0.294 on the fifth target for small group.

Edward Collins	0.3122
Mark Harpenau	0.3237
Richard Brensing	0.3239
Fred Martin	0.3347
Jim Shipley	0.3636

In the **LV200** match, light winds stayed pretty consistent and shooters were figuring out how to adjust for the strong mirage. Only six different shooters occupied the top four spots in the standings throughout the match. Mark Harpenau and Richard Brensing continued their fine shooting at 200 yds. Mark took the lead on Target 3 and stayed on top for the win. Richard Brensing shot a 0.306 on the fifth target for small group.

Mark Harpenau	0.2300
Richard Brensing	0.2786
Tim VanGorp	0.3129
Jim Shipley	0.3172
Dewayne Stafford	0.3226

On Sunday morning, we started the **HV200** with a very fall-like temperature barely above 50 degrees. With the sun trying to warm things up, the mirage soon appeared and got stronger throughout the day. Shooters soon realized the cool morning required a much different tune than the day before. Richard Brensing and Jim Shipley, shooting at opposite sides of the range, figured out the tune early and stayed in first and second place respectively throughout the match. Edward Collins shot a screamer 0.229 on the third target for small group.

Richard Brensing	0.2207
Jim Shipley	0.2209
Edward Collins	0.2822
Mark Harpenau	0.3072
Dee Myers	0.3527

We finished the weekend with the 5-shot **UNL200** match. We had a few shooters with their rails and the rest shot bag guns of various weights and stock configurations. The strong mirage made shooting challenging as it was difficult at times to see the target rings and bullet holes. Mark Harpenau held the lead for most of the match with some impressive small groups. Mark shot a 0.236 screamer on the second target that won him the small group award.

Mark Harpenau	0.2460
Edward Collins	0.2861
Richard Brensing	0.2870
Jim Shipley	0.2920

In addition to the awards for first place and small group at each yardage, awards were given for the top three places in the 200 yd 2-Gun Grand (LV200, HV200), the 200 yd 3-Gun Grand (Sptr200, LV200, HV200) and the 200 yd 4-Gun Grand (Sptr200, LV200, HV200, and UNL200).

Richard Brensing and Dewayne Stafford. The Mid-Continent Region Championship has a rich history and a large silver traveling cup is presented to the annual winner who then has their name engraved on the trophy. In addition, individual plaques are awarded for the top three spots. We hope to have more shooters competing for this annual 3-Gun championship next year and beyond. Thank you to Richard Brensing for sponsoring the award plaques for this competition.

Thank you to scorer Arron Wiseman who also assisted with the awards. Thank you to target crew members Kyler Shultz and Chandyn Shultz, and to Charley Creach and Don Creach who assisted with the targets on Sunday. Also, thanks to Howard Cowher and Edward Collins for helping with target frames. We hope to see everyone back at Mill Creek next year. ■

KURTIS BROWN WINS BIG AT LUTHER!

Good Job Kurtis!

Okie Shooters held a HV match on June 18th at the Luther Oklahoma Range. We had light winds, 90 degree temps and 50% humidity. That is high humidity for Oklahoma in late June. We had 13 shooters show up for the match.

Tom Ross came flying out of the gate on the first two targets with groups of 131 and a 123. This is amazing in that Tom has had to switch from shooting left handed to shooting right handed because of problems with his left eye. At the end of the agg, it was Tom Ross in first place with a .2440 agg, second went to Kurtis Brown with a .2700 agg, and third went to Dewayne Stafford with a .277 agg. Small group was a nice .084 shot by DeWayne Stafford. There aren't many zeros shot at Luther so that was an outstanding group DeWayne.

At 2:00, the wind became more tricky and the temps rose to the mid 90's. That didn't seem to bother Kurtis as he shot steady throughout the yardage. The 200 yd agg was won by Kurtis with a .2579, second was Larry Scharnhorst with a .280 and third was Jim Shipley with a .2833. Small group was Jim Shipley's .294.

In the grand, it was all Kurtis Brown with a second place at 100 and a first at 200. His agg was a .2639, followed by Larry Scharnhorst with a .2802, third was Jim Shipley's .2885, fourth was Tom Ross's .3083, and fifth was DeWayne Stafford's .3085. Fourth and fifth was a little close, .0002.

Kurtis used a Bartlein barrel on a Viper action smithed by Richard Brensing, he used 133 powder topped off with C-Bar bullets with a March scope and a B&A trigger. ■

The day began with temperatures in the mid-50's with no visible wind showing on the flags for the first relay with wind picking up to 5-6mph.

With gusts to 10mph, the temperature approaching 82 degrees by the middle of the second relay which brought a lot of mirage - made for some difficult conditions.

Rich Jette was our dominant shooter winning seven of the ten categories scored and measured. Rich also came close to breaking records in HG single target group, HG 3-target group agg as well as Two Gun 6-target group agg.

Rich was our match winner with five match points. Jeff Locke was second with thirteen and Larry Wright had fifteen match points. Other notables:

- Jeff Locke had highest LG single target score with 49-2X.
- Larry Wright had smallest LG single target group with 1.443".
- Larry Boers took first place in LG three target score 147-5X.

Thanks to all our shooters in attendance and to Bill Johnston for scoring and Jeff Locke for scoring and statistics. Also, a special shout out to all the shooters who helped with repairing the target backers after the match. As always, a special thanks to TCGC for hosting our match. ■

Dave Osborn's Light Gun
Looking Downrange

We arrived at Three Points Range at 7:00 AM and caught up with fellow shooters while making up targets and getting pit assignments from the Match Director. This was the kind of day we all pray for; mid 70's, light breezes, a milky sky and almost no boil/mirage in the first relays of LG and HG. The shooters of the 2nd relay had great wind conditions but the sun decided to make its' presence known and on came the mirage.

After all shooting was complete, we gathered at the pits to hear the results. In Light Gun, the win went to David Osborn shooting a 6 Dasher Norma with an Agg of 5.75" including a super 3.5" group that scored 50-1X. That is about 1/3MOA at 1000 yards! David also won LG total score with 145-2X. In Heavy Gun, Bill Warner took the whole show shooting an Agg of 7.833", small HG group of 6.00" with a high, single target score of 97 - 4X and high total score as well with 286-5X.

We're out here every second Saturday of the month. Consider this an open invitation to come on out and join us. ■

Ben Avery | LV & HV 100-200 Yard Group Benchrest Match

Arizona Benchrest Shooters | Phoenix, AZ | Southwest Region

NBRSA at Ben Avery started the 22-23 Benchrest season Oct 1-2 with a Light and Heavy Varmint 100-200 yard Group benchrest match. The weather for the 2 days of practice and the 2 days of the match was a challenge for performance. Temps ranged from lows of 77 to a high of 100. The wind varied each of the 4 days from 5 mph to 15. The 2 days for practice the wind most of the time was in the 10-12 mph range. On Saturday the wind was the trickiest as the 100 yard aggregates will show; Sunday 200 for a few hours we had mild and readable winds for the Heavy Varmint 200 and the shooters took advantage. After a break we shot the Light Varmint 200 and the aggs will show the wind became more of a challenge.

We started off Saturday am with the LV 100 yards. Lester Bruno won the aggregate with .2670 agg. Lester could have blown away the competition, but he slipped on his last target. He did win match #1 though with a nice .151; that was the only one shot in the first match. The next two matches were won with two's Jim Coulter shot a .256 and Al Barnhart shot a .219. Match #4 was won with a small group for the match and agg a .122 shot by Gary Ocock. Match #5 was won by Dana Andrus with a .146. Over all the aggs weren't that good as we only had 4 shooters shoot under .3000. The wind was changing intensity and direction quickly; you pretty much had to hold for a shot or two in order to get a decent group.

After a lunch break we put away our Light Varmint guns and got out our Heavy Varmint. My best guess is that less than 25% of the shooters actually use a heavy/13.5 lb gun; most of us

Lester Bruno
Winner of the Light Varmint 100

shoot the same Light/10.5 lb gun in the heavy class. The thinking is you need the be able to shoot the 10.5 lb gun; so use the money you would spend on a Heavy and buy more components for the Light and practice, practice, practice. The match shooting conditions were very similar to what we experienced in the morning. Switching winds, however the temps climbed and made it uncomfortable for most of us and it was easy to loose your concentration. Starting the match by winning the first match with a .185 was our resident Special FBI Agent (Retired) Steve Hooper. Matches 2 and 4 were won by bullet maker Paul Parosky Jr. with a .144 and .125. Winning match 3# was Dan Sutton shooting a .125. Dan and Paul tied for small group for the LV 100 agg. After a furious battle of rock-scissors-paper, Paul was awarded the small group for the yardage and Dan was presented with a replica. Winning match #5 was Gary Ocock shooting a .170. Overall there were only eight one tenth groups shot for this yardage. Winning the yardage was Bob Brackney shooting a .2470; Bob did it by shooting a .186 in match #5. There were only 3 shooters under .3000 Hector Elias and Dan Sutton finished 2nd and 3rd respectively.

Sunday we shot the 200 yard stages. The wind was more cooperative and the temperature wasn't abusive yet. We still had wind angle changes; however the intensity was lighter and a bit steadier. You still had to start at the right time and maybe you had to hold a bit to finish a group, but mistakes weren't as costly in this agg. Starting off the aggregate and shooting small group for match #1 was James Coulter with a nice .277. Winning matches 2 and 3 was Chuck Miller with groups of .393 and .432. Small group for match 4 a .270 shot by Dana Andrus. Shooting small group for the yardage and winning match #5 was Gary Ocock shooting a .179. I was as surprised as everybody else as I shot this target the same as I did the first 4 targets where I shot 2 fours and 2 fives. If your gun is in tune and you pull the trigger at the right time and maybe get a little lucky, well it can happen. Lester Bruno and Gary Ocock were in the running for the yardage win. Well my .179 did the trick and I won the aggregate with a .2143. Honestly that's as nice a 200 yard aggregate that I've shot with a varmint gun in some time. Looking back at how; I don't have an answer. I changed seating depth and powder charge, both ever so slightly; but I do that all time anyway so I couldn't say for sure those changes made a difference.

We finished the day's competition with the Light Varmint 200. Shooting conditions changed for the worse. The wind picked up, mirage got stronger and again the heat and frustrating challenging changing conditions made it easy to shoot and ugly group. Match winners were just average groups for 200. Winning match #1 was Paul Parosky Jr. with a .498 next smallest that match was a .606. Match #2 was won by Special Agent Hooper shooting a .468, nearly half the shooters in that match shot over and inch. Match #3 was won by Master electrician Lou Murdica shooting a .431. Match #4 was won by relatively new shooter Jarrod Hahn shooting a .528. Winning match #5 and shooting small group for the agg was Gary Ocock, shooting a .272. Evidentially the condition was a tad better as there were only 3 shooters shooting over and inch for this match. Having shot the small group for the match helped Gary win the aggregate. Of note: Paul Parosky beat his mentor Lester Bruno in what most thought were trying conditions.
